(d) Any audited or reviewed financial statements submitted to SBA pursuant to paragraphs (a) or (b) of this section must be prepared in accordance with Generally Accepted Accounting Principles.

(e) While financial statements need not be submitted until 90 or 120 days after the close of a Participant's fiscal year, depending on the receipts of the concern, a Participant seeking to be awarded an 8(a) contract between the close of its fiscal year and such 90 or 120-day time period must submit a final sales report signed by the CEO or President to SBA in order for SBA to determine the concern's eligibility for the 8(a) contract. This report must show a breakdown of 8(a) and non-8(a) sales.

§ 124.603 What reports regarding the continued business operations of former Participants does SBA require?

Former Participants must provide such information as SBA may request concerning the former Participant's continued business operations, contracts, and financial condition for a period of three years following the date on which the concern graduates or is terminated from the program. Failure to provide such information when requested will constitute a violation of the regulations set forth in this part, and may result in the nonexercise of options on or termination of contracts awarded through the 8(a) BD program, debarment, or other legal recourse.
